Report of Principal and School Improvement Council

Greetings Dutchman Creek Middle School Students, Parents and Guardians,

As we begin our fourth academic year, we look forward to serving the students, parents, and staff of our learning community. We will have more than 900 students in grades 6th -8th. Each grade is further divided into teams to provide students with small supportive environments while offering the benefits of a larger middle school.

At Dutchman Creek, we strive to provide an exciting learning environment which promotes the individualism and diversity of our students, faculty and staff. Our programs offer life and career skills that are innovative and relevant for our future leaders of the 21st century. We also offer rigorous academic, artistic and athletic programs that foster the development of our students' interests and talents. Additionally, we are proud of the strong parental involvement and communication between home and school. We have a dedicated and highly qualified staff and enjoy a school that is safe, clean and supportive of a positive educational atmosphere.

We continue to focus on common assessments and integrated units of study. We are also working to sustain the level of excellence necessary to meet AYP and enhance the progress of our students with reading and comprehension.

Additionally, we excelled in each content area this year. Our students and faculty made dynamic academic and athletic accomplishments. We also had remarkable results in the areas of fine arts, character development, and service learning.

We will continue to embrace middle level education and effective strategies for adolescent development. As always, our "customer service" philosophy continues to permeate through our learning organization.

We're going to have a great year!

Norris L. Williams, Principal
Jim Weaving, School Improvement Council Chair
